

Vatican Death Squad of Columbus

The Knights of Columbus are a Roman Catholic international military order. Knights are defined as military servants. The Knights of Columbus (KofC) take their name from the Genova born Christopher Columbus who was partially funded by the Doria banking family of Genova who are intermarried with the Colonna family of Rome and Savoy family. The names Colonna and Columbus both mean a column and Christopher Columbus was really a relative of the Colonna family. The District of Columbia takes its name from Columbus. The Knights of Columbus use the Roman fasces symbol for their logo and the Roman fasces symbol is also all over federal buildings and seals in the District of Columbia. The KofC are a fascist militant order. The Knights of Columbus are structured like Freemasonic Orders with degrees and initiations. The KofC was developed as an alternative to Freemasonry since Roman Catholics are not supposed to be official members of Freemasonry although that is not always the case. The Knights of Columbus are headquartered in New Haven Connecticut which is also the headquarters for the Yale's Skull and Bones. Many police officers, lawyers, judges and politicians are members of the Knights of Columbus and are covertly serving the interests of the Vatican. I had a former US army soldier and Knight of Columbus that targeted me with poison. His name is Robert Nadeau and he goes by DJ Lobsta. I had another Knight of Columbus named Greg Corrado gather intelligence on me and slandered my name around town. He is a pedophile that uses his gang stalking money to for vacations in South America where he purchases underage prostitutes. The local police in my area are mostly Irish, Latino, or Italian and Roman Catholic as well as former military. They are also connected with organized crime. They like sending me death threats. The KofC endorsed Supreme Court Justice Samuel Alito who is a suspected member of the KofC. The KofC claims in their endorsement of Samuel Alito that Roman Catholics are not fully accepted in America yet 5 of the 9 Supreme Court Justices are Roman Catholic today. Eric Bolling, Bill O'Reilly, and Steve Doocy of Fox News are suspected Knights of Columbus. Rupert Murdoch is a Vatican Knight of St Gregory. Fox News has a historical record of pushing pro war propaganda.

Jeb Bush is a fourth degree Knight of Columbus and his wife's name is

Columba Bush. Dennis Savoie is the Canadian ambassador to the Holy See and has been Deputy Supreme Knight of the KofC and Supreme Treasurer of the KofC. Dennis Savoie like the House of Savoy which ruled Italy and put in the fascist dictator Benito Mussolini in power who established the Vatican as a nation through the Lateran Treaty of 1929. The fasces symbol used by the KofC is the origin for the word fascism which means a centralization of power. Vincent Ignizio was a recent member of the New York City Council and is a Knight of Columbus. JFK was a Knight of Columbus and his father was a Knight of Malta. The Knights of Columbus are a secret society directly controlled by the Vatican. They are involved with persecuting

those the Pope of Rome has declared as heretics and they carry out this persecution for money. I know of the persecution carried out by members of the KofC from my own personal experiences. The Italian Nobility are the owners of the Vatican, the Society of Jesus, the Knights of Columbus, the Sovereign Military Order of Malta, and the Italian Mafia. The Italian Nobility use their Knights of Columbus to infiltrate police departments and court systems in the United States which assist the Italian Mafia. The Colonna family are the primary owners of the KofC and they also own the Colombo crime family. Carl Albert Anderson is an attorney who worked under President Ronald Reagan's administration and is the current Supreme Knight of the

Knights of Columbus. Other top Knights of Columbus in the United States include Archbishop William E. Lori, Patrick E. Kelly, Michael J. O'Connor, Ronald F. Schwarz, and John A. Marrella. The Knights of Columbus receive donations to their charities and a portion is used to finance their knights which spread division and gang stalk people the Papacy has declared as heretics under Canon Law. The fasces symbol with the axe used by the KofC represents fascist tyranny under the threat of force. An axe divides. These knights manipulate both political parties. They use divide and conquer and spread division.

Karl Anderson is the Supreme Knight of the Knights of Columbus and a ruthless persecutor that needs to be killed. They have been shutting down some Knights of Columbus lodges in my area however these knights instead work under Catholic priests.

Robert Nadeau is a psychotic gang stalker and Knight of Columbus. He was in the US military until he faked an injury to get out. He bragged about flying into Iraq on helicopters and shooting civilians with a 50. caliber machine gun and bragged about seeing civilians being murdered and said "all I saw were mists of blood." Robert Nadeau attempted to murder me with poison.
